How Does it Work?

The J&S Private Dental Plan works similar to many dental plans on the market. You pay a monthly membership fee for benefit coverage on your dental expenses. The plan is designed to cover preventive services such as cleanings and oral exams. This provides coverage that can be budgeted at an affordable monthly expense while receiving good benefits for your higher cost dental service.

The office of Jungmeyer & Suresh Dental Enterprises, administers the J&S Private Dental Plan and works with you, the patient, directly to make all dental service decisions. There is no need to contact a 3rd party company for information. All questions regarding plan coverage, verifying benefits, or any other questions should be directed to us here at Dr. Jungmeyer & Dr. Suresh's office.

All dental services covered by the J&S Private Dental Plan are designed to be done at our office here at Jungmeyer & Suresh Dental Enterprises. We may refer a patient to a specialist who performs other services that the patient may need, which is not covered by the Plan. The office has a complete listing of highly recommended specialists.

Why the Program Works

If asked, most people would agree that decisions about dentistry are best made between the patient and their dentist, without a third-party company's involvement.

The J&S Private Dental Plan is different! It has been designed to provide you and your family with affordable preventive dental coverage, your dentist owns and administers.

Not only does the Prevention Plus J&S Private Dental Plan provide excellent coverage on preventive dentistry, the plan offers good coverage on major dental procedures like crowns, bridges, and dentures.

Since your J&S Private Dental Plan is not administered by a third party insurance company, all the decisions regarding your dental treatment may be decided by you and your dentist, Dr. Jungmeyer or Dr. Suresh, without the need for claim forms, approvals, deductibles, or waiting periods.
